American History teacher, **Mr. James Schmidt**, received his B.S. degree from Augustana College, Sioux Falls, S. D. He is junior high basketball coach.

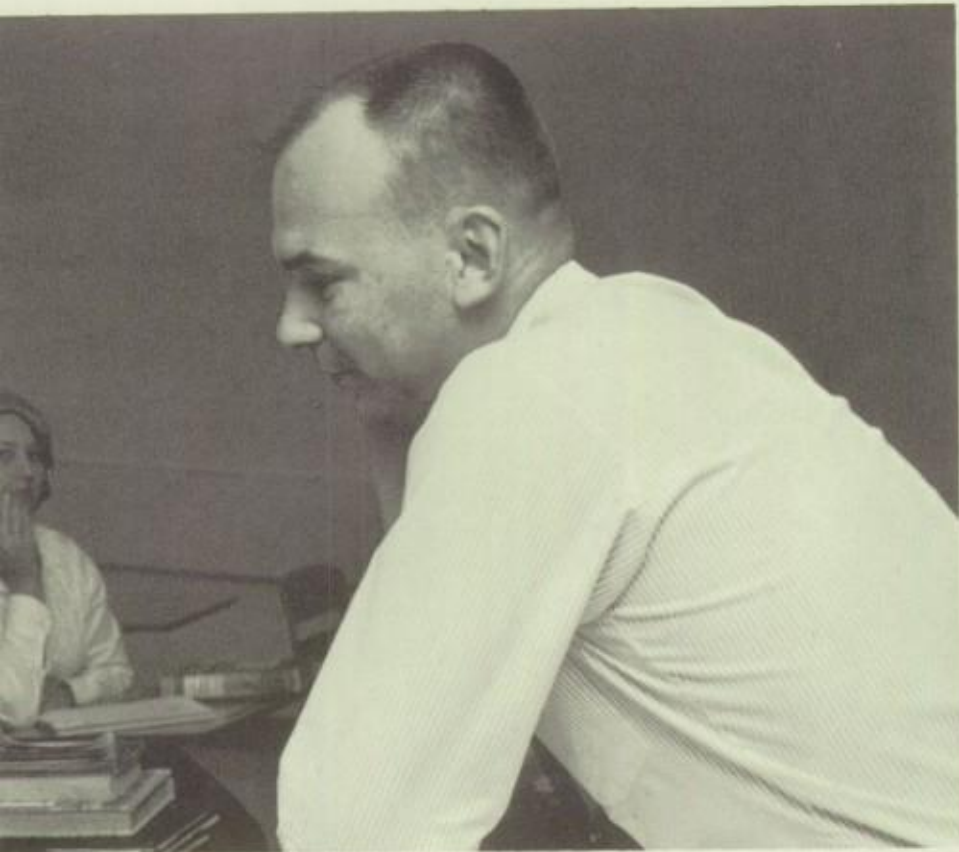

Learning From the Past

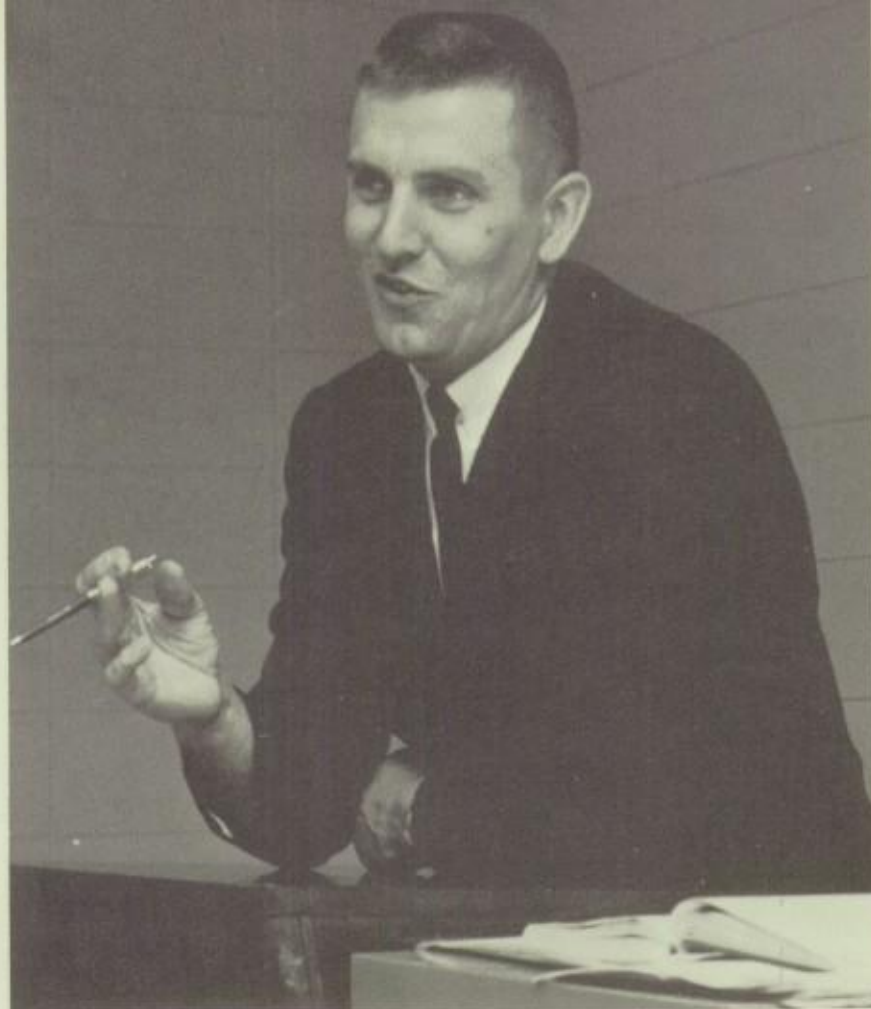

Mr. Darwin Dade, geography instructor, received his B.S. degree from Milton College. He is active in athletics: Assistant football coach, head baseball coach, and summer recreation director for the city of Tomah.

Mr. John Crubaugh senior social problems teacher, received his B.S. from WSU-Platteville. Using the inductive approach, he allows his students to express their opinions. Besides being Student Council advisor, he is head basketball coach, head golf coach, and assistant football coach.

Lecture and class discussion are the main methods used by **Mr. Gary Kunz** as he stresses, for his junior students, the importance of United States History. He holds an M.A. degree from WSU-LaCrosse. He is junior class advisor.

As senior social problems teacher, **Mr. Thomas Pederson**, emphasizes the importance of current events. He has a B.S. degree from WSU-LaCrosse.

Helps in Understanding the Present

Through lecture and class discussion, **Mr. Paul Dedie**, world history instructor, attempts to illustrate how past historical events influence the present. He holds a B.S. degree from WSU-Platteville. He is head wrestling coach and assistant football coach.

World History instructor, **Mrs. Judith Andretich**, encourages her students to express their opinions. She believes in using audio-visual aids to their fullest advantage. She received her B.S. degree from WSU-LaCrosse. Much of her free time is taken up as FTA advisor.

Realizing Progress

Biology ... an abundance of crawling reptiles ... first experience in dissecting ... many proud "surgeons" ... microscopes peering into a new world undiscovered by the naked eye ... meeting the famous "Mr. Bones" ... studying the process of bacteria ... investigating the migration of wildlife ... Chemistry ... a lingering smell during aftermath of experiments ... studying the composition of elements ... setting up chemical equations ... determining the electron configuration of elements ... trying to master the art of building compounds ... slaving in the laboratory ... results ... drastic ... Physics ... observing the phase of acceleration with sliding lab carts ... series of strings attached to wheels trying to resemble pulleys ... studying the effects of radiation ... tuning forks used to demonstrate the properties of waves ... experiments which never seem to turn out right ...

Observing leaves and other objects from a near-by woods is only one part of the biology course as taught by **Mr. Harold Smith**. Field trips and extensive lab work give students first-hand experience with biology.

Mr. Robert Quakenbush, biology and chemistry teacher, demonstrates the skeletal system as one of the components of the human body. He holds a B.S. degree from WSU-LaCrosse.

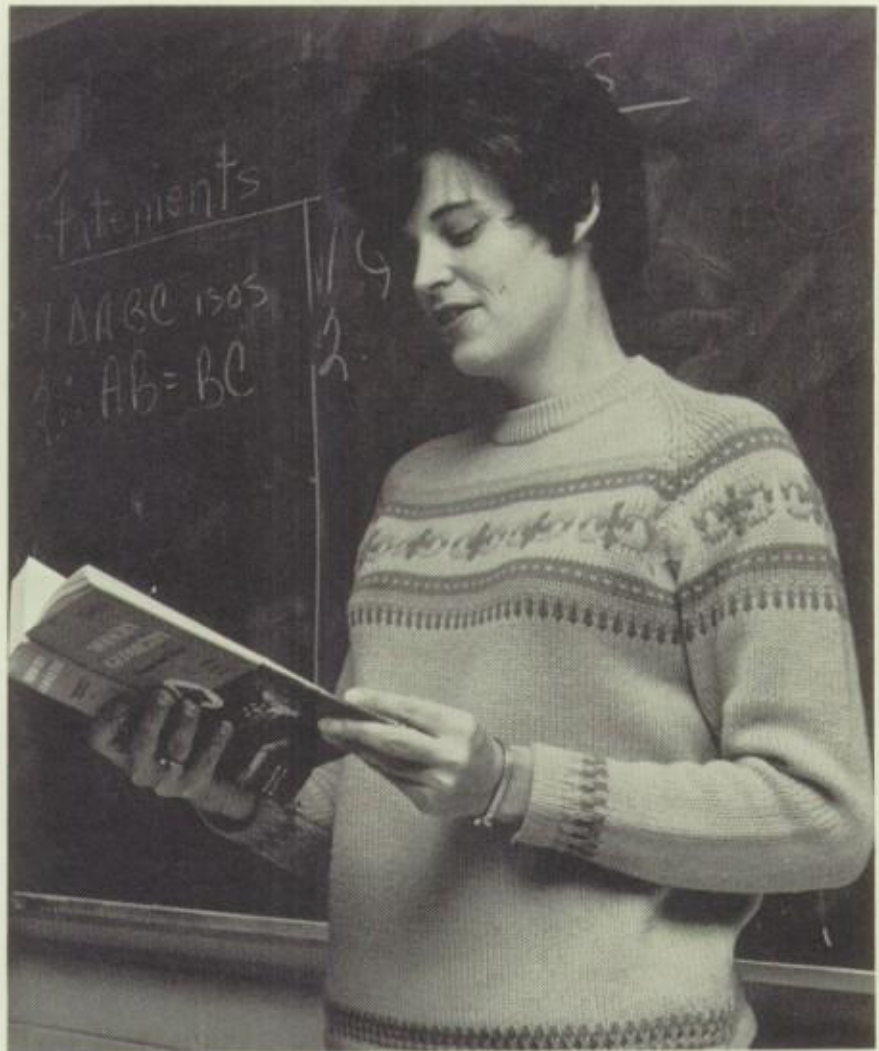

Chemistry and physics instructor, **Mr. Gary Schultz**, emphasizes laboratory work in teaching and understanding science. He holds a B.S. degree from WSU-Eau Claire and an M.S. degree from WSU-LaCrosse.

with Math and Science

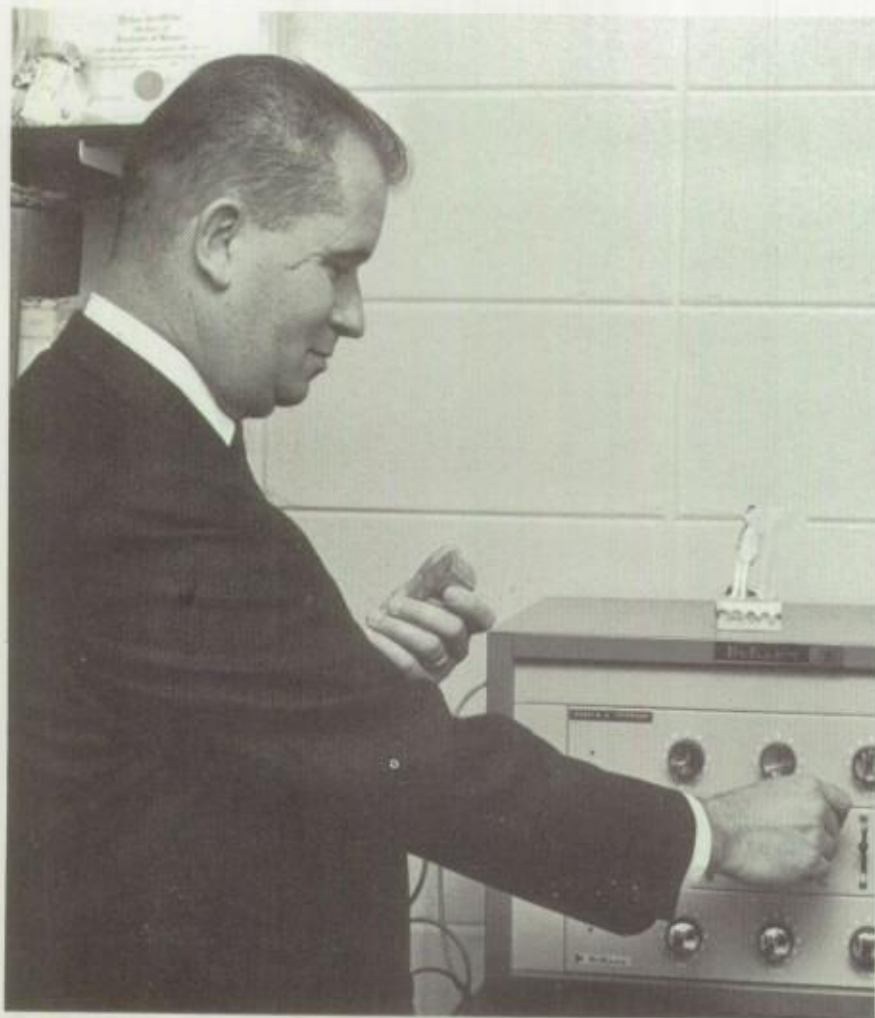

Algebra I ... variables ... equations ... the real number system ... ratios ... graphs ... x and y axes ... infinite numbers ... polynomials ... to acquire skill in applying algebraic concepts ... negative numbers ... parallel and perpendicular lines ... angles ... complicated daily assignments ... Geometry ... inductive and deductive reasoning ... sets and constructions ... slide rules ... surveying near-by areas ... projects ... extensive boardwork ... hours of homework ... tests ... Algebra II and Analytic Geometry ... emphasis on understanding mathematics ... show relationship ... trigonometric functions ... vectors ... complex numbers ... progressions and binomial expansions ... discover the "why" of mathematics ... reason effectively ... develop potential ...

Demonstrating math problems is **Mr. Larry Arnoldy**, a recent graduate of WSU-LaCrosse. To promote a better understanding of math, he encourages constant board work and question and answer periods.

Connecting geometry with everyday life is the primary method of teaching used by **Miss Jean Otto**, who holds a B.S. from WSU-LaCrosse. Surveying adds interest and understanding to the course. Miss Otto also advises the cheerleaders.

Having received his B.S. from Mayville State, North Dakota, **Mr. Art Oliver** is presently working on his masters. He teaches elementary physical education. Coaching B-squad football and wrestling also keeps him busy.

Presenting annual concerts is only one of the several responsibilities of **Mr. William Mellin**, band director. He also organizes several bands and ensembles. He holds a B.S. and a Master in Music Education degree.

Training young voices is the job of **Mr. Richard Loy**. His choir participates in the annual concerts, and he is responsible for producing the yearly school musical. He holds a Master of Music from the University of Wisconsin.

Seniors Advance into Adulthood Carrying

"Reach Out for Victory" is the theme of the seniors' last Homecoming float.

Senior year ... finality in activities ... the last concert, the last game, final exams ... applications for jobs and colleges ... choosing careers ... smallest but mightiest class ...

Representatives chosen for the last time ... a voice in school government through Student Council members ... Mike Bordas, Carolyn Coates, Jim Giesen, Wally Gnewikow, Tom Hedrich, Ted Moskonas, Dianna Schendel, Terry Seflow, and Jackie Steele ... Mr. Tom Pederson, class advisor ... crowning a queen and a king ... Terry Seflow, 1968 Homecoming queen ... Jim Falkner, Snowball king ...

Senior boys on teams ... fighting for school glory ... cheering, screaming, rooting for victory ... displaying school spirit ... hoopholders Jackie Steele and Cathi Lein ... painting store windows ... posters, banners, hoops ... messy but fun ... cheerleaders Dianna Schendel and Gwyn Gibson ...

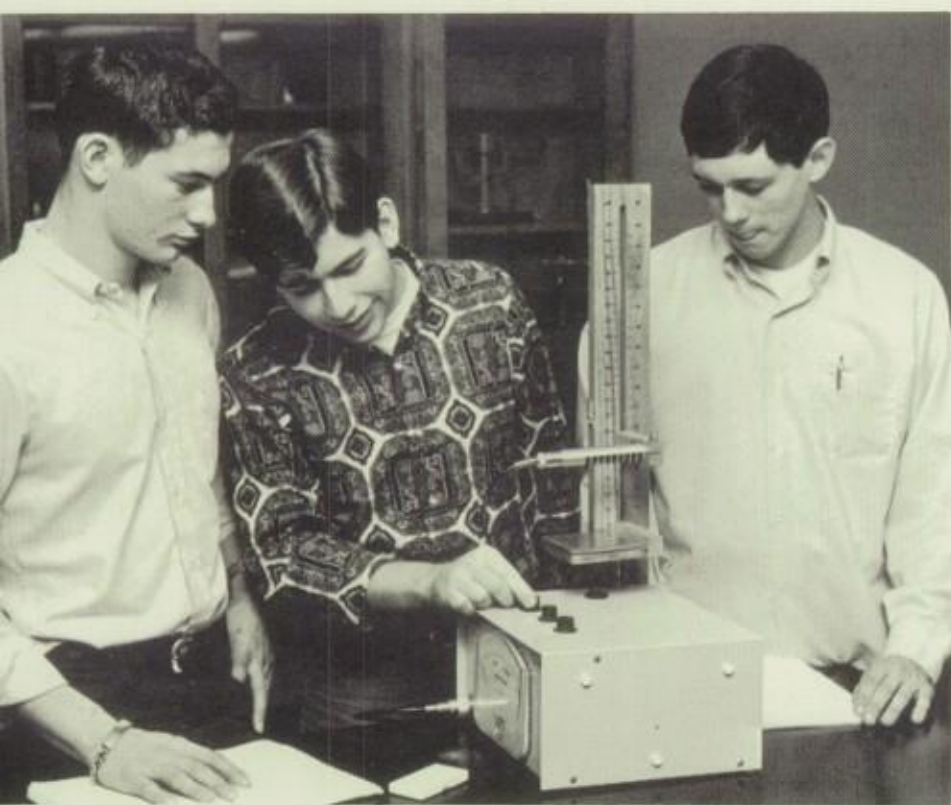

Involvement in school life ... winning the Senior-Faculty game ... attending school functions ... setting examples for underclassmen ... representing TSHS ... setting traditions ...

Graduation ... the year is gone ... facing the future ... no longer unified as a class ... always unified through memories ...

Officers of the graduating class are (l to r) Vice-President, James Falkner; Secretary, Terry Seflow; President, Larry Hall; Treasurer, Amy Brown; and Sergeant-at-Arms, Tunney Strozewski.

Ideas and Memories Inspired at TSHS

Acknowledgments

We, the 1968 HAMOT Co-Editors, would like to thank the many businessmen of the area who backed us financially. Our appreciation is extended to the Bronze Star Patrons for their support of \$10-\$20, to the Silver Star Patrons for their support of \$21-\$30, and to the Gold Star Patrons for their support of \$31-\$40. A special thanks is extended to the Special Recognition Patrons for their support of over \$41.

We also appreciate the encouragement and cooperation of Mr. Robert Graf, American Yearbook representative. His monthly visits and helpful suggestions proved to be valuable guides to us.

Our recognition also goes to many individuals of TSHS . . . to Miss Barbara Schultz for her help while student teaching, to the custodians for their tolerance of us after school hours and on weekends, to our fellow students for their cooperation and support, and to the faculty and administration for their patience and perseverance concerning interrupted classes and unending inquiries.

Without the assistance of Mr. Harold Libke of Harold's Studio, it would have been impossible to accurately portray school life. We would like to take this opportunity to express our gratitude to him. His innumerable visits, excellent photographs, and devotion to his work in preparing last minute photos have resulted in lending our book a highly professional appearance.

Our biggest thanks goes to Mrs. Darlene Wilson, our advisor. We find it impossible to adequately express in words how much we appreciate all the help she has given us. Her encouragement and confidence in us was one of our biggest incentives. She not only put in many school hours, but also gave an immense amount of her own time in helping us meet our deadlines. The worry over deadlines and finances, the brunt of the faculty complaints, and the complete organization of the staff fell on her shoulders. Without her, the 1968 HAMOT would not exist. A simple "Thank you", to us, seems inadequate, but we are sure that she understands how much we appreciate her and what she has done for us and for our book.

Thank you.

"Youth in Motion" certainly appropriately describes the students of our school, and is especially indicative of the Class of 1968. The students have kept the entire population of our school in motion since the first day of school.

Memories of the school year 1967-68 will always recall events peculiar of the Class of '68. You have much to be proud of in citizenship, loyalty, and dedication to Tomah — both school and community.

In times such as these, you, the youth, must continue to be in motion and constantly strive for an effect on the adult world as you have affected your own little world in Tomah.

As we look back, we can see the fruits of your efforts during the school days. We can look forward to proudly viewing your future accomplishments and be proud of the personal associations with you.

I would especially compliment the Hamot Staff. They have put forth a lasting memento to the memory of the Tomah Senior High School year of 1967-68. You will in future years value this Hamot, and it will reflect the character and accomplishments of the Seniors of 1968 — the Youth in Motion.

William H. Graham
Principal

Let other high schools boast, of victories galore,
Of laurels never lost; of triumphs by the score,
Let them tell you of their prowess,
Of their warriors strong and bold,
Whose colors ever lower to the White and the Gold.

Our men are all victorious through all the
states around.
In basketball and football, they always win renown,
Though we're proud of old Wisconsin, whose fame's
in story told,
Our hearts're with Tomah High School,
And the dear old White and Gold!

To the halls of Tomah High School,
When the days are past and gone,
When as schoolmates we have parted, and our
lessons all are done,
We'll return and show our comrades, we're loyal
as of old,
And cheer them on to victory 'neath the dear old
White and Gold.

Marcia
or sure
was fun working
with you in the
library! We got to be
pretty good friends!
Lotsa luck in the
future
